Thrive WITHIN

Smart Home Hub

Smart Home Hub

Your one-stop platform to access all your smart home needs.
Able to be controlled remotely via mobile phone,
making life just that much simpler.

Rent-And-Ride A Bike

We've made home in the city's pioneering walking and cycling town even better with instant bicycle bookings. Go for a ride freely and comfortably anytime you fancy.

Visitor E-Registration

Having guests over is made seamless at Amo Residence. Simply pre-register them electronically and send them a QR code for entry upon arrival.

Facilities Booking

Book condominium facilities promptly via mobile app. On the day and time of usage, simply enter via your access card.

Digital Lockset

With options of fingerprint, pin code, mobile app or key access, control your front door with the utmost ease.

Smart IP Indoor Cam

A portable camera for remote home security and surveillance. With two-way audio communication, motion detection, and video recording, peace of mind is guaranteed.

Smart Infrared Air Con Control

Have home cool and waiting for you with remote access of air-conditioners. While you're out and about, monitor the temperature and set time schedules for the kids at home.
